### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lisa Hillman on December 16, 2004.

The application has been amended as follows:

In the claim:

Claim 1, part (d), line 2, replaced "delivery" with -delivering--.

### *Reason(s) for Allowance*

2. The following is an examiner's statement of reasons for allowance: the claims define over the prior art of record because the prior art of record, specifically US 5,877,028, fails to teach or make obvious a device with a reagent delivery system in addition to a sampler member and a detection member, wherein the reagent delivery system is positioned so that the reagent liquid flows through the sample collector into the chromatography region after the sampler member and the detection member are assembled into one part.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
